

URGENT: DIETARY SUPPLEMENT RECALL

February 6, 2020

This is to inform you of a product recall involving:

Basic Organic, Inc.
Odorless Omega-3 Fish Oil 1000mg 90 count
UPC 054458000228
Lot # BB603011 with an expiration date of 7/19

Basic Organic, Inc.
Resveratrol 100mg 30 count
UPC 054458323662
Lot # 0116562 with an expiration date of 8/19

See enclosed product labels.

This recall has been initiated due to a nationwide recall of all lots of dietary supplements manufactured by ABH Natures Products, Inc., ABH Pharma, Inc. and Stocksnutra.com, Inc. (Companies") See enclosed company announcement. **To date, there have been no reported illnesses or injuries as a result of this situation.**

We began shipping the Odorless Omega-3 Fish Oil to you in October 2016 and continued through September 2017 and shipped the Resveratrol 100mg to you from October 2016 through April 2017. These were the only items obtained from the Companies that you purchased from us and we have not done business with them since.

Please examine your inventory and quarantine any product subject to recall. In addition, if you may have further distributed this product, please identify your customers and notify them at once of this product recall. Your notification to your customers may be enhanced by including a copy of this recall notification letter.

If you have any product in your inventories with the above lot numbers, please gather and return to us. We will cover the cost for the return, and we will also reimburse you for the cost of the product. Your assistance is appreciated and necessary to prevent future distribution of the reference item.

Company Announcement

This is to inform you that ABH NATURE'S PRODUCTS, INC, ABH PHARMA, INC., and STOCKNUTRA.COM, INC. (the "COMPANIES") is conducting a nationwide recall of ALL lots of its dietary supplement products pursuant to a Consent Decree entered by the U.S. District Court for the Eastern District of New York. This recall applies to all dietary supplement products manufactured and sold between January 2013 – November 2019 and all lots of products are included in this recall.

These products are being recalled after an FDA inspection found significant violations of current good manufacturing practice regulations. Manufacturing practices that are not in adequate control represent the possibility of risk being introduced into the manufacturing process resulting in finished supplement products with decreased identity, purity, strength and composition.

To date, there have been no reported illnesses or injuries as a result of this situation.

The COMPANIES contract manufactured dietary supplements for other firms and did not sell products directly to consumers.

Consumers should check the attached list of companies who distributed the dietary supplements to determine if they have purchased a recalled product that needs to be returned or destroyed.

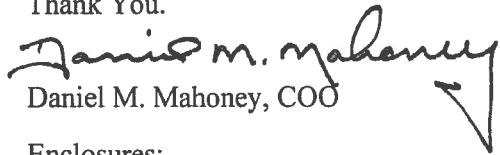

The COMPANIES are notifying its distributors and customers via email and is arranging for return of all recalled products. Wholesalers and distributors (direct customers of the COMPANIES) that have any dietary supplement products manufactured or packaged at the Edgewood, NY facility being recalled should contact a representative of the COMPANIES for instructions with regard to returning any remaining stock.

Distributors or Consumers with questions regarding this recall can contact a representative of the COMPANIES by phone at (866) 922-4669 or e-mail recall@abhnutra.com, Monday – Friday, 9:00am – 4:30pm, EST.

Please complete and return the enclosed response form as soon as possible. If you have any questions, please contact Dan Mahoney at 614-863-3004 or you may also contact him at dmahoney@basicbrandsinc.com.

This recall is being made with the knowledge of the Food and Drug Administration.

Thank You.

Daniel M. Mahoney, COO

Enclosures:

KEEP OUT OF REACH OF CHILDREN
STORE IN A DRY PLACE AND AVOID EXCESSIVE HEAT
DO NOT USE IF NECK SEAL IS BROKEN OR MISSING

Basic Organics

WARNING: If you are pregnant, nursing, taking any medications or planning any medical procedure, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.
This dietary supplement is odorless. The enteric coating helps reduce fishy aftertaste and burping by protecting the softgels during transit to the small intestine.

Supportive but not conclusive research shows that consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
